Professional Summary

Social Media Manager with experience in social media strategy, content planning, research, content creation, community management, and performance tracking across finance, fashion, and personal brand projects. I've grown a personal brand page from 0 to 100+ followers and over 11,000 views organically within three weeks, while helping a finance brand gain 66 followers in its first month of management. Skilled at turning business goals and audience needs into clear, purposeful content and using performance insights to improve content direction.

Work Experience

Social Media Manager – VaultHolders (August 2026 – Present)

- Managed the brand's social media presence, taking responsibility for content research, planning, creation, publishing, and community management.
- Researched the brand's audience, competitors, and relevant finance topics to develop content around audience questions, interests, and pain points.
- Developed a social media strategy and content pillars focused on increasing visibility, educating the audience, and encouraging engagement.
- Simplified complex finance and investing topics into clear, beginner-friendly content using research from sources including Nairametrics and Investopedia.
- Increased monthly impressions from 31.8K to 68.2K and helped the page gain 66+ followers within the first month, with growth achieved organically and without paid promotion.

Social Media Manager – Fashion Brand (Nov 2025 – Feb 2026)

- Developed content ideas and supported the brand's content strategy based on its social media goals and audience.
- Planned content using a content calendar and managed publishing across social media platforms.
- Created social media graphics using Canva and edited short-form videos using CapCut.

- Wrote captions for new and existing content, keeping the messaging clear and aligned with the brand.
- Managed the brand's online community by responding to comments and messages and maintaining regular audience engagement.

Social Media Manager – Personal Brand (Sep 2025 – Oct 2025)

- Built and managed a social media page from zero to showcase my skills, document my journey, and attract potential clients.
- Developed a content strategy based on the target audience, their interests, and the type of content they were likely to find useful.
- Created content ideas, wrote captions, engaged with relevant accounts, and tested different content formats to understand what performed best.
- Grew the page from 0 to 100+ followers and increased views from 400 to 11,000+ organically within three weeks.
